

The WTA – Wissenschaftlich-Technische Arbeitsgemeinschaft für Bauwerkserhaltung und Denkmalpflege GmbH certifies herewith that company

Baunit GmbH, Werk Schönach

has provided results from suitability test and process control for **restoration render systems** according to *WTA-guideline 2-9-04* and that these results have been verified by the *WTA-examinations board* for restoration mortar systems. Initial test were carried out by an institute recognised for mortar evaluation.

Evidence of external quality control was provided. The below-mentioned product has passed the suitability test and thus meets the criteria of the *WTA-guideline*:

SanierPutz Fein SP 64 F
SanierPutz Grob SP 64 G
Selfpor Sanierputz SP 64 P

The product may be labelled with the service mark.

This certificate may not be transferred to other restoration mortar products.

This certificate is valid for two years from date of issue. The period of validity can be extended on presentation of the results of an external quality control.
